

# Übersichtsseite Trinkwasseransicht verkleinern offline

Mobile Portrait

The screenshot shows a mobile device interface with a white background. At the top, there's a header bar with a 'Frontend' icon and three blue circular dots. Below the header is a navigation bar with back, forward, and refresh icons, and a URL field containing 'https://www.ship-frontend.de/home'. A logo placeholder is on the left, and a 'Toggle Button' is on the right. The main content area features a large bold message 'Keine Internetverbindung!' (No internet connection!) and the last data timestamp 'Letzter Stand der Daten: 25.02.2020 12:19:42'. A horizontal line separates this from a section titled 'Trinkwasserübersicht' (Water supply overview). Below this title is a status indicator 'Status unbekannt' (Unknown status) with a circular icon. The overview table includes the following data:

Aktuelle Menge	1,72 m <sup>3</sup>
Gewünschte Menge	1,86 m <sup>3</sup>
Durchfluss	5,00 m <sup>3</sup>
Startzeitpunkt	10 m <sup>3</sup> /h
Endzeitpunkt	25.02.2020 12:09:10
Anleger	25.02.2020 12:39:10
Schiff	Santa Maria
Reederei/Veranstalter	Columbus Cruises GmbH

A button labeled 'Übersicht verkleinern' (Collapse overview) is located at the bottom of the table. Below the table, a section titled '▼ Letzte Trinkwasserentnahmen' (Last water consumption) lists a single entry:

Startzeitpunkt	Endzeitpunkt	Dauer (Std.)
25.02.2020 10:30:00	25.02.2020 12:00:00	1,5

At the very bottom, a section titled '► Anlegungen von Santa Maria' (Berths of Santa Maria) is shown.
